MISSION

Our company quickly, professionally, safely and kindly provides customers with comprehensive customs and logistics services.

COMPANY

4 AREAS OF ACTIVITY

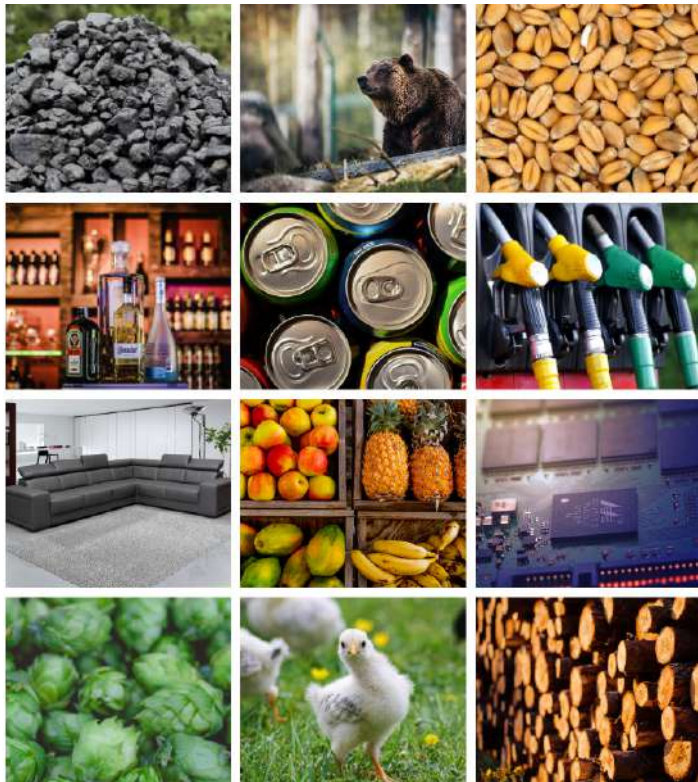

We serve logistics customers in the areas of **customs agencies, transport and forwarding and logistics.**

WE MAKE A DIFFERENCE WHILE PRESERVING OUR VALUES

CUSTOMS AGENCY

We are one of the most experienced and largest customs agencies in Poland. We handle the most demanding clearance of non-standard goods.

OFFER

- customs declarations for all customs procedures according to Union Customs Code (UCC) in road, rail and sea transport, also outside working hours of customs offices
- import clearance under a simplified procedure with "deferred" VAT
- export clearance under a simplified procedure
- customs clearance for transit based on a CTP Convention (Common Transit Procedure)
- declarations for customs warehousing, temporary admission, inward and outward processing
- registered consignor status
- high customs security

TRANSPORTATION

Our company has its own fleet which is at the full disposal of the Opole branch. We specialise in oversize and Full Truck Load (FTL) freight in domestic and international transport. In our fleet we have semi-trailers, flatbeds, tele-megas and extendable tarpaulin trailers.

WE OFFER

- Comprehensive customer service at every stage of order processing, starting with transport pricing and ending with door-to-door order delivery.
- Full service of oversize transports including permits, civil and police escorts, necessary expert opinions and agreements.
- A wide range of regular contractors and subcontractors which allows us to increase the range of services provided depending on the individual needs of the client.

ACCOMPLISHMENTS

FORWARDING

■ road forwarding

■ rail forwarding

■ sea freight forwarding

■ air freight forwarding

We provide forwarding services in our 13 branches, whose location allows for direct contact with contractors all over the country. Our qualified staff assist in the selection of the means of transport and control the process, professionally fulfilling the individual needs of the contracting party.

The dynamic development of the company necessitated the establishment of a partner company CARGO Logistic sp. z o.o. to support comprehensive customer service.

By using reliable carriers we guarantee effective cooperation in the field of transport and forwarding by road, rail, sea or air.

WE ORGANISE FOLLOWING TRANSPORT

■ part load (LTL) and full load (FTL)

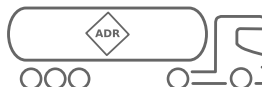

■ oversize loads

■ temperature-controlled goods

■ dangerous goods (ADR)

ADDITIONAL SERVICES

■ **WAREHOUSING**

We have customs warehouses and recognised storage facilities for EU and non-EU goods.

■ **TRANSHIPMENT TERMINALS**

We provide our customers with transshipment points, warehouses, broad- and standard-gauge terminals.

■ **MONEY EXCHANGE OFFICES**

Currency exchange points are located in our customs agencies at the Polish borders.

■ **BORDER INSURANCE SALES**

In our border branches, which are open 24/7, we also provide border insurance sales services to customers from outside the EEA (European Economic Area).

■ **PAYMENT BY CARD**

All our customs agencies are equipped with payment terminals so that our customers can make payments quickly and securely.
