CUSTOM AGENCIES

We prepare customs declarations in accordance with all customs procedures with the Union Customs Code UCC in road and rail transport, also after the working hours of customs offices, as well as:

- assistance in obtaining an **EORI number**,
- **import clearance** in the simplified procedure with "deferred" VAT,
- **export clearance** under the simplified procedure,
- transit customs clearance based on the **CTP Convention (Common Transit Procedure)**,
- declarations in the procedures of bonded warehousing, temporary admission, outward and inward processing.

Our customs agencies also provide additional services:

- securing payment of import customs and tax debt and in transit (**TC31, TC33**),
- opening and filling in **TIR Carnets** in the ordinary and simplified procedure (without the participation of the Customs Office) with their notification in the NCTS system,
- filling in additional customs documents: **CMR, CIM** together with the required attachments, certificates of origin, etc.,
- full service of the **CAP procedure** (The Common Agricultural Policy procedures),
- **EPI** advance customs declarations for Belarus, Russia and Kazakhstan,
- declarations in the **INTRASTAT, REX system**

TRANSPORT - FORWARDING - LOGISTIC

We offer you means of transport at the disposal of our company and vehicles of our subcontractors. Their number and variety allow us to accept any order, and thus satisfy every customer need. We specialize in road and rail transport by carrying out the transport of goods:

- partial and full truck loads (LTL FTL)
- oversized
- dangerous (ADR)
- container
- refrigeration
- other

We have been carrying out domestic and international transports throughout Europe and Asia since 1995. We have 10 branches throughout the country, which makes us one of the largest companies in the TSL industry in Poland. Geographic specialization and close cooperation between our branches guarantee a quick implementation of the ordered service.

WE DEPEND ON YOUR OPINION!

Together, we strive to ensure that the services offered are of the highest quality.
